Safety Training Course

WHMIS 2015 (Workplace Hazardous Materials Information System)

Monday, February 7, 9:00am - 10:30am *(online using Zoom)*

This course provides awareness to prevent workplace injuries, diseases, and incidents resulting from the storage and use of hazardous products through the use of the Workplace Hazardous Materials Information System. By the end of this 2 hour session ,students will be able to identify the hazards associated with hazardous substances, utilize appropriate precautionary measures and select appropriate personal protective equipment specific to the substance being used. Attendees will obtain a certificate.

Training provided by **Chris Haus** from Total Rescue.
