Settlement Workers in Schools  
Guelph-Wellington-Dufferin

## The COVID-19 Vaccine for Children (ages 5-11) Information for Parents/Guardians

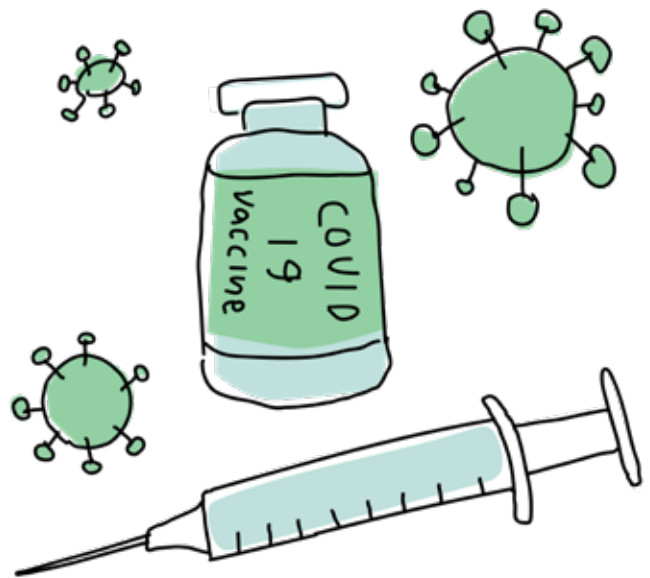

Join our SWIS team to learn about the COVID-19 vaccine for children. We are pleased to have **Amanda Scales** and **Dr. Matthew Tenenbaum** from WDG Public Health join us to answer questions.

During this online session we will talk about:

- The development and approval process of the vaccines in Canada
- How mRNA vaccines work
- Benefits of vaccinating children (5-11 years)
- Vaccine safety and monitoring in Ontario

**Thursday,  
January 20  
4:00pm - 5:00pm**

Click date to register.
