Zoom Workshop

What's Your Language Level?

Strong English or French skills will help with:

- ✓ getting a job
- ✓ going to school
- ✓ accessing services, and more!

Before you start a class, you must get tested to find out your current language skills. Join ISGW's language assessors to learn and ask questions about language assessment.

During this online, Zoom session we will discuss:

- What is an assessment?
- How long is the assessment?
- Why do I need an assessment?
- Can I have a free language assessment?
- What immigration document must I bring to my assessment?
- How can I study for the assessment?
- Why do I have to be assessed again?
