# Parenting Newcomer Youth

**Join our SWIS team online, using Zoom, or in person at ISGW.**

Settlement and migration can be stressful for youth (13-19). Adjusting to a new country can present a list of challenges, which if unaddressed, can lead to negative outcomes.

These challenges include:

- Intergenerational disconnect
- Financial instability
- Contact with the criminal justice system
- Lack of belonging

This workshop is developed to assist parents and caregivers in helping youth as they transition from adolescence to adulthood. The workshop will provide helpful strategies to:

- understand the needs of your teenager
- empathize with their experiences
- validate your own vulnerability

### GUEST SPEAKER:

**Nabeel Rahman, M.A., R.S.W.**  
Registered Social Worker,
