

In-Person English Conversation Circles

SPRING 2023

English Conversation Circles provide opportunities for newcomers to practice conversational English skills in a relaxed and friendly environment. For the Spring 2023 term, we are pleased to introduce a new, in-person, English Conversation Circle taking place at the **Guelph Public Library – Westminster Square Branch**.

Did you know that the Guelph Public Library is one of the oldest public libraries in Ontario? Over 1,500 people use the library every day and check out over two million resources annually. The library is the most used recreational facility in Guelph. Besides providing resources that enrich, educate and entertain, the library is dedicated to providing community gathering places that celebrate culture and local history.
