PARTNERS WITH PURPOSE

Are you a permanent resident in Canada?
Interested in building English conversation skills with a partner?

This program matches a female volunteer from Guelph Police Service with a female newcomer for 1-on-1 English conversation practice over 8 weeks, culminating with a potluck supper for all participants.

It is designed to build connections between the diverse women who are new to our community and Guelph Police Service. Participants will:

- Practise English conversation skills
- Build connection, share stories of culture and traditions
- Learn insights into city programs and resources that assist in settlement
- Learn about Guelph Police Service

Participants from the first cohort in 2023

The session runs January - April 2024, **register today!**
